PRODUCT NEWS

Dear Partner,

We kindly introduce our brand new POWER BOX PB-02, our multi-function jump starter dedicated for vehicles starting, mobiles devices charging or emergency lighting.

With a brand new design, this back-up power solution is more compact and more powerful!

SAFE LITHIUM BOOSTER

With improved starting performance, our POWER BOX PB-02 is now able to deliver 600A (1200 peak current) for jump starting 7.0L Gas and 6.0L Diesel engines as well as all powersports vehicles equipped with a 12V Lead-Acid battery.

POWER SUPPLY

Thanks to its internal Lithium-ion battery and the included charging cables, our POWER BOX PB-02 can also recharge all your smartphones and other USB devices (tablets, earphones...).

FLASHLIGHT

The flashlight function provides 3 blinking modes with SOS, strobe and normal constant light.

Easy to use, store and charge, our POWER BOX PB-02 can be put inside any motorcycle trunk, glove box, adventurer's backpack. Ideal solution to start your vehicles and charge your mobile devices anywhere and anytime.
