

The Power you need...

- 400** BATTERY TYPES
- 80** COUNTRIES
- 6** SUBSIDIARIES

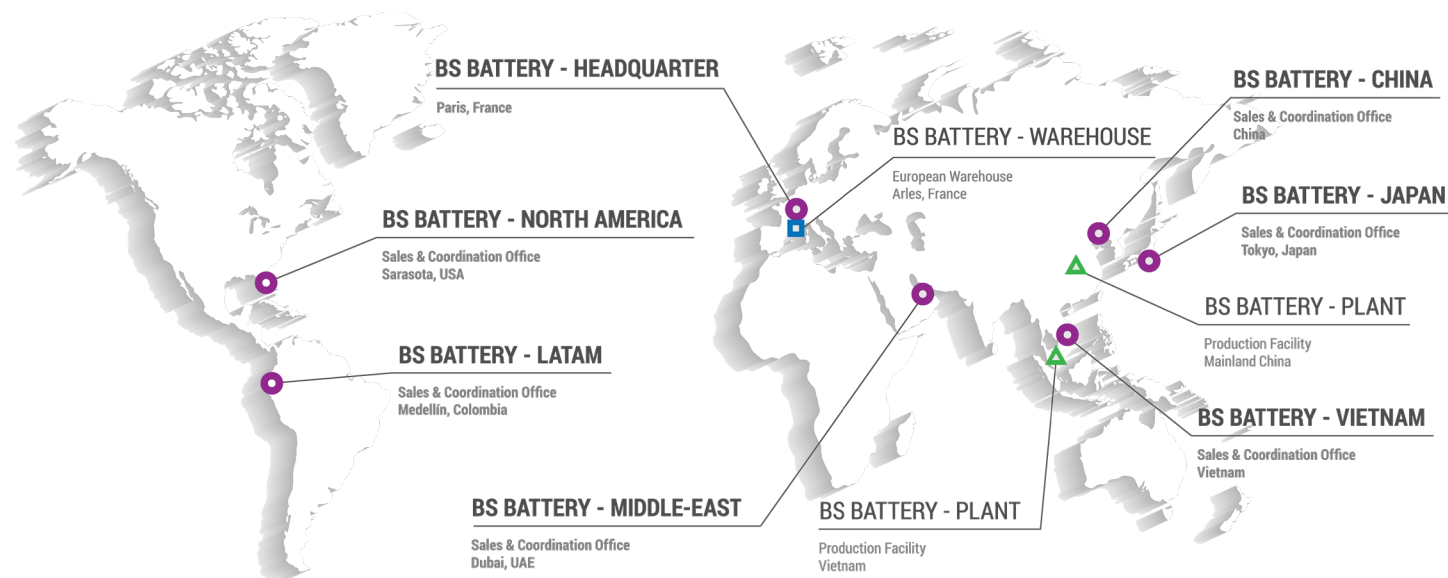

ABOUT US

Crafting ingenious battery solutions for all powersport applications defines the core identity of BS BATTERY. Based in France, founded in 2008, our family-run company offers more than 400 battery solutions developed by an active Research & Development team and 2 stable production facilities.

Original Equipment Manufacturer (OEM) and Original Equipment Supplier (OES) approved by major motorcycle brands, involved with Racing Teams in all categories, BS BATTERY 's growth is fueled by the active engagement of its loyal partners across more than 80 countries supported by 6 subsidiaries around the world.

Service oriented and passionate, BS BATTERY has become in just a few years, one of the largest and most innovative powersport battery manufacturer, becoming a reliable partner of the major distribution players and vehicle manufacturers.

NETWORK PRESENCE

Developed according to innovative production processes and engineered under stringent quality control, BS BATTERY facilities comply with the highest international standards and certifications such as:

Original Equipment Manufacturer (OEM) and Original Equipment Supplier (OES) approved by major motorcycle brands worldwide, we collaborate strongly with vehicles manufacturers to demonstrate our product's reliability, and perpetually stay at the forefront of innovation.

Mindful of the critical role maintenance plays, BS BATTERY develops ingenious charging and testing solutions for professional or end-users covering all their needs. Placing services at the heart of its strategy, we pay special attention on accompanying our distributors as true partners with maintenance solutions, logistics, business development support including education and marketing.

Aware of the complexities that batteries may introduce for end users, BS BATTERY has created a wide program of "ready to use" solutions with more than 80 models available, SLA & SLA MAX batteries are suitable for all types of powersport applications.

Very active on new technology, we built over the years a real expertise in Lithium technology thanks to our collaboration with vehicle manufacturers and more than 15 Official Racing Teams in all categories.

The driving force behind our success is the power of passion. In the world of racing, precision and teamwork are non-negotiable. The same principles apply to our daily operations. It's not just about reaching the finish line; it's about the journey. Our employees and partners bring their racing spirit to work every day, infusing energy and determination. This shared passion fosters a sense of belonging, loyalty, and a collective desire to see our brand emerge as the champion in our industry.
